REQUEST FOR CERTIFICATE OF CORRECTION

ATTN: Certificate of Correction Branch
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

It is respectfully requested that a Certificate of Correction be issued to encompass the changes noted on the attached Form PTO/SB/44, thereby placing the patent in conformity with the file of the application.

The discrepancy between the application file and the patent were the result of PTO error. In particular, the words "a scanned target having a" are missing on line 67 of column 9 of the patent. Please insert "a scanned target having a" between the words "for" and "solid color edge" on line 67 of column 9 to read --for a scanned target having a solid color edge--.

No fee is due.

Respectfully submitted,
